

Cookie Notice

Go Climate Positive Limited is registered under company registration number 11669055.

Like many other websites, <https://go-positive.co.uk/> uses cookies and similar technologies.

What are cookies?

A cookie is just a simple text file which contains an identifier used to store basic information and settings relating to your device and preferences. To learn more about cookies, please visit <http://www.allaboutcookies.org/verify>.

Cookies are really useful because they allow our website to 'recognise' you via your device and recall your settings and preferences from previous visits. This helps us in a number of ways, explained in the next section.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

How does Go Climate Positive Limited use cookies?

The first time you visit our website via a particular device (e.g. your laptop or mobile), we will provide a clear on-screen notification about our cookies and give you the choice if you accept them, decline them or find out more.

If you accept cookies our website will place the relevant cookies on your device. The next time you visit the website, your device will check to find the relevant cookies and, if your device has them, it sends the cookie information back to the website.

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. By continuing to browse the site, you are agreeing to our use of cookies.

We use the following cookies:

Cookie	Owner	Duration	Purpose
Category: Essential

Google Analytics cookies _ga _gat _gid	GCP	730 days Browsing session 1 day	<p>Google Analytics cookies gather information for us about how people browse around our website. This information is used only to create anonymised reports about the onsite behaviour of our visitors. For example, to find out how many visitors the site had, which countries they came from, which pages are most popular, how long they stayed on each page, and so on. We also use Google Analytics to track visits to our website from the emails we send out.</p> <p>These reports provide useful information which helps us to manage the website and improve our users' experience of the site. For more information on Google Analytics, click here or read Google's information about 'Safeguarding you data'</p>
Google reCAPCHA rc::a rc::c	Google	Persistent	These cookie are used to distinguish between genuine humans and bots (which may be used to attack the website).

Your right to manage cookies

If you would like to change your cookie preferences, please use the 'Cookie Settings' option in the website footer.

Most modern browsers allow you to manage the cookies saved on your device. If you don't want to receive cookies, you can set your browser to notify you when you receive one, then choose to decline it. You can also clear your cache at any time you wish. For more information you may wish to check the cookie controls in your browser.

If you have questions

If you have any questions about this Cookie Notice, or would like to contact us about any other matter, you can contact us by email info@go-positive.co.uk
